ANNUAL SECURITY REPORT

PREPARATION OF THE ANNUAL SECURITY REPORT AND DISCLOSURE OF CRIME STATISTICS

United Tribes Technical College Safety and Security Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act using information maintained by the UTTC Safety & Security Department, information provided UTTC offices such as Student Services Programs, Campus Services Programs and other Campus Security Authorities and information provided by local law enforcement (Burleigh County Sheriffs Office).

This report provides statistics for the previous three years (2019, 2020, and 2021) concerning reported crimes that occurred on campus, in certain off-campus property owned, leased or controlled by UTTC. This report also includes college policies and procedures about campus security, including policies regarding sexual and gender-based violence, alcohol and drugs, and maintaining a safe campus.

UTTC distributes a notice of the availability of this Annual Security Report by October 1 of each year to every member of the UTTC community. Anyone, including prospective students and employees, may obtain a paper copy of this report by contacting the UTTC Safety & Security Department at (701) 221-1700.

REPORTING CRIMES AND OTHER EMERGENCIES

United Tribes Technical College has a number of ways for the UTTC community members and visitors to report crimes, serious incidents, and other emergencies to appropriate UTTC officials. Regardless of how and where you decide to report these incidents, it is critical for the safety of the entire UTTC community that you immediately report all crimes and other emergencies to 911 or the UTTC Safety & Security Department at **(701) 221-1700** to ensure an effective investigation and appropriate follow-up actions, including issuing a Timely Warning or Emergency Notification.

VOLUNTARY, CONFIDENTIAL REPORTING

If crimes are never reported, little can be done to help other members of the community from also being victims. We encourage UTTC community members to report crimes promptly and to participate in and support crime prevention and safety awareness efforts.

If you are the victim of a crime or want to report a crime you are aware of, but do not want to pursue action within the college or criminal justice system, we ask that you consider filing a voluntary, confidential report.

Depending upon the circumstances of the crime you are reporting, you maybe able to file a report while maintaining your confidentiality. The purpose of a confidential report is to comply with your wish to keep your personally identifying information confidential, while taking steps to ensure your safety and the safety of others. The confidential reports allow the college to compile accurate records on the number and types of incidents occurring on campus. Reports filed in this manner are counted and disclosed in the Annual Security Report. Exceptions exist for sexual assault and crimes where victims or witnesses would be at risk should their names be released to the public Anyone may call the UTTC Safety & Security Department at (701) 221-1700 to report concerning information, callers may remain anonymous.

REPORTING TO 911 AND THE UTTC SAFETY & SECURITY DEPARTMENT

We encourage all members of the UTTC community to immediately report all crimes and other emergencies to 911 and the UTTC Safety & Security Department in a timely manner. We are available by phone at (701) 221-1700. or in person 24 hours per day at Building 61. We encourage campus community members to report all crimes or concerning behavior or activities to 911 and the UTTC Safety & Security Department, whether or not they want to pursue a formal investigation, to assure the college can assess security concerns and inform the UTTC community if there is an on-going threat.

EMERGENCY PHONES ON CAMPUS

The college has Emergency Phones on the following Residential Life buildings on campus: COED Dorm, Sitting Bull Hall, Sakakawea Hall, and at Touchstone Lodge. The Emergency Phones are located at the entrance to each building. Picking up the Emergency Phone will directly connect you to the UTTC Security Officer (s) on patrol.

REPORTING TO OTHER CAMPUS SECURITY AUTHORITIES

While UTTC prefers that UTTC community members promptly report all crimes and other emergencies directly to 911 and the UTTC Safety & Security Department at (701) 221-1700 or 911, we also recognize that some may prefer to report to other individuals or college offices. The Clery Act recognizes certain college officials and offices as Campus Security Authorities (CSAs). These individuals are “officials” of an institution who have significant responsibility for student and campus activities, including, but not limited to student housing, student discipline, and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution. CSA’s are required to report all crimes to the UTTC Safety & Security Director as soon as reasonably possible. While UTTC has identified a number of CSAs, we officially designate the following departments as places where college community members may report crimes:

OFFICE	CAMPUS DRESS	AD- PHONE NUMBER
UTTC Safety & Security Dept.	#61, 3315 University Dr. UTTC, Bismarck, ND 58504	(701) 221-1700

UTTC takes progressive measures to create and maintain a reasonably safe environment on campus. Though the college is progressive with its policies, programs, and education, it is up to each one of us to live with a sense of awareness and use reasonable judgement when living, working or visiting on campus. MEMORANDUM OF UNDERSTANDING BETWEEN UTTC AND THE BURLEIGH COUNTY SHERIFFS DEPARTMENT

UTTC has a memorandum of understanding (MOU) with the Burleigh County Sheriffs Office. The MOU outlines the operational responsibility. Key topics in the MOU are emergency response, 9 1 1 response, special events, and investigation of serious incidents. The MOU also addresses ongoing communication and informational exchanges in the form of reports and statistical data.

TIMELY WARNINGS-CRIME ALERTS

In an effort to provide timely notice to the UTTC campus community in the event of a Clery Act crime that may pose a serious or ongoing threat to members of the community, the UTTC Safety & Security Department issues “Crime Alerts” for the following crimes; aggravated assault; criminal homicide; robbery; burglary; sex assaults; and hate crimes. UTTC Safety & Security

The purpose of these Crime Alerts is to notify the UTTC community of the incident and to provide information that may enable community members to protect themselves from similar incidents. UTTC Safety & Security will issue Crime Alerts whenever the following criteria are met:

1. A crime is committed;
2. The perpetrator has not been apprehended; and
3. There is a substantial and on-going risk to the physical safety of other members of the UTTC campus community because of the crime.

Such crimes include, but are not limited to: Clery Act crimes that are reported to any campus security authority or the local police; or when the College determines that the incident represents an on-going threat to the UTTC campus community.

In emergency situations, the UTTC Safety & Security Director may authorize a Crime Alert. Crime Alerts are sent out to the UTTC campus community via the ReGroup Emergency Notification System. Any student, faculty, and staff can sign up online for the Crime Alerts; and the service is free to students, faculty, and staff. These messages are a very effective way to send important information to the campus community about safety on the UTTC campus.

PERSONAL SAFETY AND CRIME PREVENTION TIPS

Most crimes can be deterred, if not entirely prevented, by developing simple tasks and habits. While following the tips below cannot guarantee that you will not be a victim of a crime, your chances of being victimized can be reduced.

- ◆ Report all suspicious activity to the UTTC Safety & Security Department and/or local law enforcement. Every time a crime is reported, there is a chance to catch the criminal. When a crime goes unreported, the criminal walks free to victimize again. UTTC encourage students and employees to program the UTTC Safety & Security Department phone number (701) 221-1700 into their mobile devices.
- ◆ Lock your car doors anytime you leave the car. It takes only seconds to lock and unlock your car doors, and these seconds can save you from being victimized.
- ◆ Don't leave obvious valuables in plain view in your car. Temptation and availability is all that is needed to cause a would-be thief to attempt and complete a theft.
- ◆ Check the back seat of your car before you get in. You may have an uninvited passenger.
- ◆ Lock your dorm room or family housing unit. This is probably the best simple deterrent available to protect your property and you. A criminal will often take the path of least resistance.
- ◆ Don't display large sums of cash or expensive jewelry. Cash and jewelry are often impossible to trace and easy for a thief to dispose of quickly.
- ◆ Know who is at the door before you open it. Know who is at your door and what they want. If it doesn't seem right, keep the door shut and communicate through the door.
- ◆ Walk with a friend when out late at night, and walk on designated path areas and well-lit areas. Safety in Numbers. Use the Security Escort Service available 24 hours, by calling (701) 221-1700.
- ◆ Secure bicycles with adequate locking mechanisms. Always lock your bike; an unlocked bike is an easy target for a thief.
- ◆ Do not drive drunk. UTTC is an alcohol and drug free campus. Don't impair your judgement with alcohol or illegal drugs.
- ◆ Do not leave doors propped open
- ◆ Program the UTTC Safety & Security Department phone number into your mobile device. (701) 221-1700
- ◆ Sign up for free Emergency Notifications, by going to <http://uttc.edu/ens/>
- ◆ In an emergency, UTTC will alert students and employees by using the Emergency Notification System.
- ◆ Make sure that you have verbal and sober consent from anyone before engaging in sexual activity.
- ◆ Remain vigilant and never take personal safety for granted.

2019-2021 CRIME STATISTICS

Reports of crimes are calculated per Clery requirements. When counting multiple offenses, UTTC uses the FBI's UCR Hierarchy Rule. This rule requires that only the most serious offense is counted when more than one offense was committed during a single incident, or when a single offense could fall under the definition of more than one crime. However, there are some exceptions to this rule. Hate crimes, arrests and referrals for drug/liquor/weapons violations, and the crimes of arson, domestic violence, dating violence, and stalking do not fall under the Hierarchy Rule and are counted along with the most serious crime committed in situations where more than one Clery crime has occurred in a given incident. Additionally, if a murder and a sex offense are committed during the same incident, both are counted. If an incident occurs in University Housing properties, it is counted twice: once in the "On Campus" section and once in the "Residential Life/Dorms" section.

Additionally, with the passing of the Violence Against Women Reauthorization Act (VAWA) of 2013, the crimes of domestic violence, dating violence, and stalking were added to the list of crimes that UTTC is required to collect statistics for and report beginning in 2014. For definitions of these crimes, see [Appendix A](#). In 2014, the definition of "rape" in the Uniform Crime Reporting (UCR) Summary Reporting System was also revised to reflect the Federal Bureau of Investigation's (FBI) updated definition, which encompasses the categories of rape, sodomy, and sexual assault with an object that are used in the UCR National Incident-Based Reporting System. The updated definition of rape is used for Clery purposes in this report.

A hate crime is one that manifests evidence that the victim was intentionally selected because of the perpetrator's bias. The categories of bias include race, gender, religion, sexual orientation, ethnicity/national origin or disability. The Clery Act requires colleges and universities to disclose all instances of Clery Act crimes listed in the crime statistics table above plus any other crime involving bodily injury that manifests evidence that the crime is a hate crime. The disclosure of each hate crime must include information about the geographic location where it occurred and the category of bias that was involved.

United Tribes Technical College (UTTC) Fire Safety Policy and Report

Reporting period for this report is January 1, 2021, to December 31, 2021. The US Department of Education now requires colleges and universities to post to the community an annual fire safety report. The report must include:

- The number of fires in each on-campus housing facility.
- The number of deaths related to the fire.
- The number of injuries related to the fire that resulted in treatment at a medical facility.
- The value of property damage related to the fire.
- A description of the fire safety system for each on-campus student housing facility.
- The number of fire drills held the previous calendar year.
- The university's policies regarding portable electrical appliances, smoking and open flames in student housing facilities.
- Procedures for student housing evacuation.
- Policies for fire safety education and training programs for students, faculty and staff.
- A list of titles of each person or organization to which individuals should report that a fire has occurred.
- Plans for future improvements in fire safety, if determined necessary by the institution.
- The institution must maintain a "Fire Log" that is available upon request to any person.

College-Wide Protocol for Fire Emergency

The following procedure is the College-wide protocol in cases of fire emergency:

1. Pull the fire alarm as you exit the building.
2. Dial 911 from a safe location.
3. State that you are calling from UTTC.
4. Provide the proper name of the building, floor and room numbers.
5. Specify fire type (chemical, paper, wood, electrical, etc.).
6. Direct fire/emergency/Security personnel to location.
7. Notify the Safety & Security Department at (701) 221-1700.
8. If you are unable to use the stairs for any reason wait for rescue in the nearest stairwell.

Stairwells are designated "areas of refuge."

Do not attempt to extinguish a fire unless trained and in a controlled environment with proper equipment available.

PORTABLE ELETRONIC APPLIANCES

The electrical system in the residence halls is not designed to carry heavy loads of Electrical equipment. Students are required to be responsible in their use of appliances/electronics which includes proper and judicious use of multi-outlet strips and surge protectors. Extension cords are not permitted. All electrical equipment must be UL listed.

SMOKING

Smoking is prohibited on the UTTC Campus; including family housing units and dorms.

OPEN FLAMES, FIREWORKS, EXPLOSIVES, AND FLAMMABLE MATERIALS

Any item with an open flame or that burns (candles, incense, sterno stoves, alcohol burners, etc.) is prohibited. Fireworks of any type are prohibited and may not be kept anywhere in a residential facility. Explosives of any kind, or equipment or materials intended to be used in making explosives, are not allowed. Hazardous chemicals or flammable liquids are also prohibited, including propane tanks or gas cylinders for grills and camping equipment.

All fires, even if extinguished, must be reported to the Safety or Security Department on UTTC's campus.

Fire Log

The campus housing fire log is a summary of any fires that occurred in on-campus housing or residential hall for the past year. The log records date and time, general location, estimate of property damage, number of injuries and/or deaths associated with the fire. The Safety and Security Department maintains an electronic log of all incidents brought to their attention on campus which includes any fire. It is reported on an annual basis and is available for inspection for the most recent 60 day period. This log is available to anyone upon request free of charge. Simply notify the Director of Safety and Security, in writing, and provide the date ranges you would like to see in the log. The information will be provided to you. Portions of the log older than 60 days are available within two business days of a request for public inspection. The fire log records are filed for a period of seven years. In accordance with the Higher Education Opportunities Act of 2008, UTTC is providing mandatory fire safety information as a part of this report. Detailed information is listed in the table below about fires in any student housing area in 2020.

Reporting fires that have occurred (Not in Progress)

For any fire that has occurred (not in progress) individuals may report the incident to any member of any member of the Safety or Security Staff, the Director of Housing or Housing Staff, Resident Hall Director or any Resident assistant, the Director of Safety or Security.

student who is not enrolled or registered for a particular term but has a continuing relationship with UTTC (in between semesters); any student who withdraws, transfers, or graduates after an alleged violation of the SCC; and any already graduated student when the conduct at issue implicates the student's UTTC degree, certificate, or diploma.

Student Code of Conduct (SCC) Hearing Officers consists of a three-member team including the Career & Technical Education Director, or designee; the Director of Security & Safety, or designee; and the Director of Housing, or designee. UTTC (or College) Sponsored Activities means any program or event sponsored by UTTC, including but not limited to those sponsored by students group or athletics.

Medical Amnesty: North Dakota (ND) has a medical amnesty law for alcohol-related emergencies. ND Century Code states: "An individual under twenty-one years of age is immune from criminal prosecution under this section if that individual contacted law enforcement or emergency medical services and reported that another individual under twenty-one years of age was in need of medical assistance due to alcohol consumption, provided assistance to the individual in need of medical assistance until assistance arrived and remained on the scene, or was the individual in need of medical assistance and cooperated with medical assistance and law enforcement personnel on the scene. The maximum number of individuals that may be immune for any one occurrence is five individuals."

SECTION IV. DISCIPLINARY OFFENSES

Violations, or assisting or encouraging others in the violation of the College's policies, are subject to disciplinary action through the appropriate process. The following behaviors violate UTTC's Student Code of Conduct:

Disruption of the Academic Environment is engaging in behavior, either in the classroom or online discussion forums, which substantially or repeatedly interrupts either the instructor's ability to teach and/or a student's ability to learn.

Falsification means willfully providing false, misleading, or incomplete information; forging or altering official College records or documents or conspiring with or inducing others to forge or alter without proper authorization academic records or documents; misusing, altering, forging, falsifying, or transferring to another person College-issued identification; or intentionally making a false report of a bomb, fire, natural disaster, or other emergency to a College official or an emergency service agency.

Bullying is aggressive behavior directed at another person that causes stress or harm and that is repeated over time, including but not limited to assaulting, defaming, terrorizing, making obscene gestures, or invading privacy.

Sexual Misconduct is any non-consensual behavior of a sexual nature that is committed by force or intimidation, or that is otherwise unwelcome. Sexual misconduct includes the following behaviors: sexual assault, relationship violence, stalking, and sexual or gender-based harassment.

Disorderly Conduct is engaging in conduct that incites or threatens to incite an assault or breach of the peace; breaching the peace; obstructing or disrupting teaching, research, administrative, or public service functions; or obstructing or disrupting disciplinary procedures or authorized College activities.

* Academic dishonesty violations processes (e.g. plagiarism and cheating) are excluded from the SCC and included in the Academic Affairs Policies Handbook and cited on course syllabi.

SECTION V. SANCTIONS

Students found responsible for disciplinary offenses under the SCC are subject to sanctions. Factors to consider in determining appropriate sanctions include:

- Nature of the offense,
- Severity of the offense,
- Culpability of the student or student group,
- Impact on other students or members of the campus community, and
- Opportunity for student growth and development based on appropriate interventions.

Separation from the College through suspension or expulsion is a serious sanction that may be appropriate for:

- Repeated violations of the SCC, and
- Misconduct that constitutes a threat to community safety or well-being (including, but not limited to harm to person and sexual assault), or significantly disrupts the rights of others or the operations of the College.

UTTC seeks to provide a safe, secure, and healthy environment for all students. Recognizing that the potential application of disciplinary sanctions could deter students from seeking medical attention for themselves or others, UTTC will provide medical amnesty as defined in Section III. However, a student requiring emergency evaluation or treatment at a medical facility will be required to complete an alcohol assessment or education program. This is not considered a disciplinary response. Amnesty is granted only for violations of illegal or unauthorized possession or use of drugs or alcohol, and does not apply to other possible violations of the SCC (e.g., property damage or assault) that may have occurred during the time of intoxication. In circumstances involving a student group, the willingness of the student group's members to seek medical assistance for a member or a guest will be viewed as a mitigating factor in the review process for any possible violations.

The following sanctions, which are listed in order of least severe to most severe, may be imposed upon students or student groups who have violated the SCC. The Hearing Officers reserve the right to assign any sanction depending on each situation and the severity of the offense.

Typical sanction for first offense:

Warning means the issuance of an oral or written warning or reprimand.

Typical sanction for second offense:

Probation means special status with conditions imposed for a defined period of time and includes the probability of more severe disciplinary sanctions if the student or student group is found to violate any institutional regulation during the probationary period.

Typical sanctions for third offense or for first or second offense, based on severity:

Required Compliance means satisfying evaluation, counseling, and after-care requirements; work assignments; community service; participating in a restorative justice process; or other discretionary assignments.

Confiscation means confiscation of goods used or possessed in violation of campus regulations or confiscation of falsified identification or identification wrongly used.

Restitution means making compensation for loss, injury, or damage.

Restriction of Privileges means the denial or restriction of specified privileges, including, but not limited to, access to an official transcript for a defined period of time.

Typical sanction for domestic violence offense:

Campus Housing Suspension means separation of the student from campus housing for a defined period of time.

Campus Housing Expulsion means permanent separation of the student from campus housing.

Suspension means separation of the student or student group from UTTC for a defined period of time, after which the student is eligible to return. Suspension may include conditions for readmission.

The suspension may be deferred when an offense is serious enough to warrant separation from UTTC, but where the specific circumstances of the case justify special consideration.

Typical sanctions for sexual misconduct, weapons violations, possession of Class A and B drugs (excluding marijuana), and sale and distribution of any illegal or unauthorized substance:

Expulsion means the permanent separation of the student from the College. This will be matter of permanent record.

Withholding of Diploma or Degree means the withholding of diploma or degree otherwise earned for a defined period of time or until the completion of assigned sanctions.

Alcohol and Illegal Drug Sanctions

Students at United Tribes Technical College are required to abide by all federal, state and local laws regarding the possession, sale, use and consumption of alcoholic beverages. UTTC also considers the use, possession, distribution, or sale of those drugs (hallucinogens, narcotics, stimulants, and depressants) that are illegal except when taken under a physician's prescription as contrary to the welfare of the campus community. Students involved in such activities are subject to disciplinary action and will be prosecuted according to the law.

UTTC recognizes the serious problems created by the use and abuse of alcohol and drugs. In response to this awareness, UTTC is an alcohol, drug and tobacco free campus and has an alcohol and drug prevention program that is committed to providing resources and referral services for students who experience alcohol and/or drug abuse.

Campus Regulations

A student who possesses or consumes intoxicating liquors, alcoholic beverages or illegal drugs on campus is subject to disciplinary action.

A student who attends class under the influence of alcohol or illegal drugs is subject to disciplinary action.

Faculty and staff are justified in contacting appropriate campus security or law enforcement authorities in the event a student is under the influence.

Students who are involved in illegal drug usage, off the premises of the campus, may also face disciplinary action.

Student organizations are not allowed to sponsor on-campus or off-campus events at which alcohol or illegal drugs are consumed.

Sale of alcoholic beverages or drugs by student organizations is strictly forbidden.

In addition to campus disciplinary sanctions, the College may report drug violations to the appropriate law enforcement authorities.

Since involvement with drugs may be associated with medical and/or psychological problems, students may be referred or may refer themselves to counseling or medical services.

Each student will be held responsible for his or her own behavior and it will not be regarded as “double jeopardy” for both civil authorities and the College to initiate disciplinary sanctions against a student who violates the SCC.

A federal or state drug conviction can disqualify a student from Federal Student Aid eligibility. If a student is convicted of possession or sale of illegal drugs during a period of enrollment for which the student was receiving federal financial aid, the student will lose eligibility for federal student aid funding. The student can lose federal financial aid eligibility of one year from the date of the first conviction, two years from the date of the second conviction and indefinitely for a third offense for the possession of illegal drugs. A student can lose federal financial aid eligibility for two years from the date of the first conviction and indefinitely for the second conviction for the sale of illegal drugs. A student can regain eligibility the day after the period of ineligibility ends or when he or she successfully completes a qualified drug rehabilitation program.

Students may initiate help for themselves or others by contacting any of the following:

Records and Reinstatement

Suspension and expulsion from the College are matters of permanent record.

Reinstatement after suspension: The Registrar may permit reinstatement after suspension; however, the Registrar may do so only after the student has completed the terms of the suspension.

Reinstatement after expulsion: A student who has been expelled from the College may petition the Vice President of Academic Affairs to be considered for re-admissions no sooner than one year after being expelled. Each case will be addressed individually.

SECTION VI. INTERIM SUSPENSION

The President or delegate may impose an immediate suspension on a student pending a hearing before the appropriate disciplinary committee to:

- Ensure the safety and well-being of members of the campus community or to preserve campus property,
- Ensure the student’s own physical or emotional safety and well-being, or
- Ensure the student or student group does not pose an ongoing threat of disrupting or interfering with the operations of the College.

During the interim suspension, the student or student group may be denied access to all College activities or privileges for which the student or student group might otherwise be eligible, including access to campus housing or property. The student or student group has a right to a prompt hearing before the President or delegate on the questions of identification and whether the interim suspension should remain in effect until the full hearing is completed.

SECTION VII. NOTIFICATION, HEARING, AND APPEALS OF STUDENT DISCIPLINARY OFFENSES

Notification

All potential violations of the SCC are reported by UTTC Safety and Security to the chair for the Hearing Officers team within 3 business days of the alleged violation. The Hearing Officers review the violation report and determine if there is reasonable cause for an administrative hearing.

Students subject to an administrative hearing shall receive the following:

Written email notice of the alleged SCC violation at least 3 business days in advance of the administrative hearing. UTTC uses email as the means of delivering the written notice. The Academic & Personal Counselors will contact the student to ensure the student is informed of the hearing.

An opportunity to address the case before the SCC Hearing Officers not more than ten business days after the student has been notified in writing.

If the Hearing Officers determine the alleged violation does not warrant an administrative hearing, the Safety and Security report will be retained and the student will be notified.

Administrative Hearing Procedure: conducted by the three-member SCC Hearing Officers team. The Vice Presidents of Campus Services and Academic Affairs grant authority to the SCC Hearing Officers to adjudicate and determine whether the involved student violated the policy, and to determine appropriate outcomes as necessary.

The hearings will be conducted once per week, as needed, at a date and time determined by the SCC Hearing Officers.

SCC Hearing Officers shall officiate all administrative hearings. The Hearing Officers will select one member to chair the meeting.

All email correspondence will be sent and received through the HearingOfficers@uttc.edu email account.

The Administrative Assistant for the Vice President of Campus Services will keep minutes for the meetings that include all actions taken by the Hearing Officers.

Administrative hearings are held privately with the exception of the Hearing Officers, the student(s), and one additional person to attend the hearing (e.g. advisor, coach, counselor) to speak on behalf of the student.

Administrative hearings may be held with all involved students or individually.

Students subject to an administrative hearing shall receive the following:

Maximum time limits for scheduling of conduct hearings may be extended at the discretion of the Vice President of Campus Services or designee.

A written decision and explanation of any outcomes within 5 business days of hearing will be sent to the email address the student has on file in the Registrar's Office.

An opportunity to appeal the decision as outlined in the following "Appeals Process".

A summary of the Administrative Hearing, including the violation and resulting sanction, is recorded in the JICS Retention Module if it is determined the student violated the SCC.

Administrative hearings are not recorded.

If a student, or student group, fails to attend the administrative hearing, it will be assumed the student has violated the SCC and the appropriate sanction for the violation will be applied.

In regard to sexual misconduct and domestic abuse cases, both the reporting party and the accused student have the opportunity to request a formal hearing and appeal as part of due process.

Appeals Process

Appeals may only be made by:

- The student who allegedly violated the SCC in the original hearing, or
- The complainant in the original hearing, when such is present.

If one of the above chooses to appeal a decision, they must submit their appeal in writing to the Vice President of Campus Services within five business days of the date of the outcome letter. To receive consideration, a student's appeal must be full and complete upon its submission, including the basis for appeal and any supporting documentation.

The receipt of the appeal will be acknowledged in writing (which can include email). In cases involving opposing parties, when an appeal is filed the other party will be given the opportunity to review and respond in writing to the appeal. Any response by the opposing party must be submitted to the Vice President of Campus Services within five (5) business days from receipt of the appeal. The appeals documents from each party will be considered together in one appeal review process.

No appeal hearing will be held. The Vice President of Campus Services and the Vice President of Academic Services will render a joint decision on the appeal based solely on the student's written appeal, any response from the other party, and the record of the original hearing. The decision is final, and will be rendered within five business days of the receipt of the written appeal.

In cases where suspension or expulsion is assigned as an outcome, the disciplinary action will go into effect at the conclusion of the appeal process. During the appeals process, a student who was issued suspension or expulsion may continue to attend class, *unless otherwise directed by the Vice President of Campus Services*, but is prohibited from participating in, representing the College in, or attending extra-curricular, co-curricular, and official College activities, if it is determined that the health or safety of a student or the community is at risk. Additional interim measures, such as those to ensure the safety of community members, may be put in place until the conclusion of the appeal process, as deemed appropriate by the Vice President of Campus Services or designee.

SECTION VIII. JURISDICTION

The Student Code of Conduct shall apply to student and student group conduct that occurs on campus or at UTTC sponsored activities. The SCC shall also apply to off-campus student and student group conduct when the conduct, as alleged, adversely affects a substantial College interest and either:
Constitutes a criminal offense as defined by local, state, or federal law or ordinance, regardless of the existence or outcome of any criminal proceeding; or
Indicates that a student or student group may present a danger or threat to the health or safety of the student or others.

The conduct of a student who is a member of a student group will not be considered to be conduct of the student group unless the facts and circumstances surrounding the conduct suggest that the student group sponsored, organized, or otherwise endorsed the conduct.

SECTION IX. RESPONSIBILITIES OF DUAL MEMBERSHIP

Students are both members of the campus community and of the state. Students are responsible to the community of which they are a part, and they are responsible to the academic community of UTTC. By enforcing the SCC, UTTC neither substitutes for nor interferes with other civil or criminal legal processes. When a student is charged in both jurisdictions, the SCC Hearing Officers will decide on the basis of its interests, the interests of affected students, and the interests of the community whether to proceed with its disciplinary process or to defer actions. Determinations made or sanctions imposed under the SCC will not be subject to change because criminal charges arising out of the same facts were dismissed, reduced, or resolved in favor of the criminal law defendant.

SECTION X. INTERPRETATION AND REVISION

UTTC publishes the SCC to provide students with general notice of prohibited conduct. Since this SCC is not written with the specificity of a criminal statute it is open to interpretation and application by students, College administrators, faculty members, committees, and organizations acting in an official capacity. Any question of interpretation regarding this SCC must be referred to the Vice President of Campus Services or designee for final determination.

The SCC is reviewed as needed under the direction of the Vice President of Campus Services, or designee, who consults with stakeholders as appropriate. The SCC in place at the time an alleged violation occurs shall be the procedures against which the conduct is resolved in any subsequent conduct hearing or resolution process.
