Student Satisfaction Survey Findings and Action

INSTITUTIONAL STRENGTHS

Overall students are more satisfied with UTTC and more likely to re-enroll if they had it to do all over again than students at other institutions.

Strengths identified included advising, faculty, student support and resources, course schedules, and caring and helpful staff.

“ My advisor has been very influential to me, and I am grateful for her as well. This has been a great experience for me, I wish that I had known more about UTTC long ago, maybe I would have had my degree sooner. ”
~Student Comment

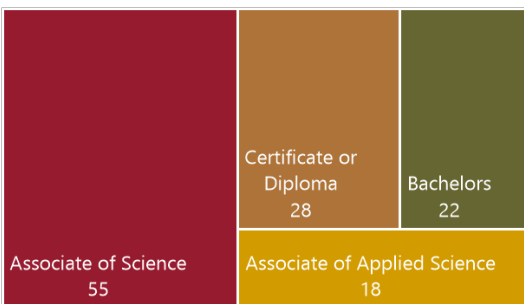

INSTITUTIONAL CHALLENGES

Students identified the following areas as institutional challenges. UTTC has taken steps to address student concerns:

	Cafeteria menu, quality, hours, and costs. <ul style="list-style-type: none"> Expanded cafeteria hours Seeking student ideas for menu
	Counseling and wellness center services <ul style="list-style-type: none"> Professional development on working with Native students Working to increase counselor visibility
	Faculty understanding students' life circumstances and increase students' sense of belonging <ul style="list-style-type: none"> Academic departments working to better address students' needs Implementing new tools to help online learners
	Safety and Security staff not helpful <ul style="list-style-type: none"> Customer service professional development for security staff

Student Success Metrics

118 students completed 123 programs of study in the 2023-24 Academic Year

75%
Degree-seeking students who attended Fall 2023 returned in Spring 2024 or graduated.

61%
Degree-seeking students who attended Fall 2023 returned in Fall 2024 or graduated.
