The Maps shall be developed and/or reviewed annually by UMary's Office of the Registrar to ensure consistency with each institution's Catalog. The Maps shall be provided to UTTC for review and correction annually. UTTC and UMary shall cooperatively work with students to resolve the transfer of courses should changes to either sending or receiving programs occur that are not reflected in the Maps. This agreement is open to any liberal arts transfer track or other appropriate UTTC program of professional study. Vocational and technical courses will generally not transfer for university credit.
