On your 2018-2019 Free Application for Federal Status, you indicated that at any time since July 1, 2017, you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless.

Unaccompanied Youth means you are 21 years of age or younger or still enrolled in high school and not living in the physical custody of your parent or guardian.

Homeless means lacking a fixed, regular and adequate housing. You may be homeless if you are living in shelters, parks, motels or cars, or temporarily living with other people because you have nowhere else to go. Also, if you are living in any of these situations and fleeing an abusive parent, you may be considered homeless even if your parent would provide support and a place to live.

At any time since July 1, 2017, did you lack a fixed (stationary and permanent), regular (predictable and consistent) or adequate (sufficient to meet your physical and psychological needs) housing?

Yes No

If your answer is “No”, sign this form and return it to the address listed at the top of the page.

If your answer is “Yes”, please mark which situation applied to you and write a statement to attach to this form.

You were fleeing an abusive parent, even though your parent may have been willing to provide a place for you to live. We define “abusive” as:

- Insulting: intended to insult or offend somebody;
- Harmful: involving physical, psychological, or sexual maltreatment; or
- Wrongful: involving illegal, improper, or harmful activities

Please write a statement to attach to this form giving at least two (2) specific examples of abuse that you experienced while living with your parents.

You stayed with other people because you had nowhere else to go.
Who did you stay with and what was your relationship to them?

You stayed in sub-standard housing (i.e. didn't meet local building codes, abandoned building, utilities were turned off, etc.). List the location (address, city and state).

You stayed in an emergency/transitional shelter such as FEMA trailer, Salvation Army, church, or other designated shelters. List type of shelter and where it was located (city/state).

You stayed in motels, camp grounds, cars, bus/train station or public place not designed for humans to live. List where specifically (including cities/states).

You lived in the school dormitory or self-paid housing (i.e. apartment) because you would otherwise be homeless.

From the list below, mark and provide the type of documentation you have for the situation above.

Submit at least one type of acceptable documentation along with this form. Documentation must include your name, the dates in which you were homeless or at risk of being homeless, and specific information that confirms you meet the definition of an unaccompanied youth who was homeless or self-supporting and at risk of being homeless. Forms submitted without one of the documents below will not be processed.

- Signed form or letter from the director or designee of an emergency shelter program funded by the Department of Housing and Urban Development (HUD)
- Signed form or letter from the director or designee of a runaway or homeless youth basic center or transitional living program
- Signed form or letter from private or publicly funded homeless shelter or service provider
- Signed form or letter from director of college access program such as TRIO or GEAR UP who is familiar with your situation
- Signed form or letter from your high school counselor who is familiar with your situation
- Signed letter from a mental health professional, social worker, clergy member, or doctor who is familiar with your situation
- Signed form or letter from any recognized McKinney-Vento practitioner

I do not have any of the documentation listed above. If you check this box, you will need to schedule an appointment/interview with the UTTC Financial Aid Director to determine whether you meet the guidelines to be considered homeless.

By signing this worksheet, I certify that all the information reported is complete and correct. I understand that if I purposely give false or misleading information, I may be subject to a \$10,000 fine, a prison sentence, or both.
