

A Snap Shot of Child Care At United Tribes Technical College

The Child Development Center (CDC) at United Tribes Technical College provides child care services for **campus-based students/staff**.

 **Regular hours for the centers are 7:30AM – 5:30PM, Monday-Friday.**

 On Fridays, **parents must pick up children immediately after their last class** of the day.

 The Centers **are licensed through the State of North Dakota** and participate in **the North Dakota Food Service Program**.

 **The cost is \$4.50 per hour per child.** The Center Billing Office (for Child Care Assistance and to sign monthly bills) is located on the second floor of the Jack Barden Center.

 All children must have **complete registration applications** on file in order to attend.

 **Children must be signed in and out by their parents** on a daily basis.

To find out which center your child will attend, **call any one of the center directors** to be referred to the center your child will be attending.
