CDO HIGHER EDUCATION PROGRAM

Congratulations on your decision to continue your education! The Colorado River Indian Tribes (C.R.I.T.) funds eligible tribal member students through Tribal and Bureau of Indian Affairs (BIA) funds, who are pursuing a college degree such as an Associate’s (Arts or Science), Bachelor’s, Master’s, or a Doctorate at an accredited college or university.

The purpose of the Career Development Office (CDO) is to serve eligible C.R.I.T. Tribal members and provide them the opportunity to achieve their educational goals. This opportunity, if provided, is a privilege with the intent that the recipient, upon graduation, will return and apply their learning to benefit the continuing development of C.R.I.T.

The Higher Education Program funds students financially through BIA Grants and Tribal Scholarships. BIA Grants are geared towards undergraduate students who demonstrate financial need based on an analysis of family/student resources and scholastic ability. Tribal Scholarships are geared towards undergraduate, graduate, and postgraduate fellowship students who demonstrate superior academic ability and educational talent. All financial assistance is based upon completed Financial Aid Needs Analysis (FANA) forms submitted by the Financial Aid Office (FAO) of the student’s accepted college/university/school of choice.
