

To: UTTC Students, Faculty and Staff
From: Angela Heck- Bookstore Manager
Subject: Summer Semester 2026 Virtual Bookstore and in-store Student Charges

Greetings,

The Virtual Bookstore for Summer Semester 2026 opens **April 14th**. SFA Vouchers will begin being sent out on **April 13th**. Please keep an eye on your student email account, since that is the email address associated with your SFA Voucher information. You will not receive a voucher until you are registered for your Spring Courses and do not have a hold on your Student Account. SFA Vouchers are active from **April 14th, 2026 and expire at 11:59 pm May 14th, 2026.**

In addition to ordering course materials for Summer Semester 2026 online at the Virtual Bookstore, students are able to charge school supplies **in-store at the Bookstore (Bldg. 10) from April 27th – May 15th**. **Only school supplies** may be charged during this time, no apparel, chargers, headphones, or other gift items. Students are **ONLY** able to charge to their student account if they are receiving **Financial Aid/Funding**.

***Students may only charge ONE laptop per Academic Year.**

*If you are a **self-pay** student, you cannot charge supplies to your student account.*

Also, if you do charge to your account and the charges are over the amount of funds you have remaining, you will be responsible to pay the overage out-of-pocket.

ALL STUDENTS MUST PRESENT A UTTC ID TO CHARGE.

Thank you,

Angela Heck
