To: UTTC Students, Faculty and Staff
From: Angela Heck- Bookstore Manager
Subjects: Spring Semester 2027 SFA Voucher Info, Virtual Bookstore ordering reminder, and Student Supply Charging Dates

Hello fellow Thunderbirds,

The Virtual Bookstore for Spring Semester 2027 will open for student ordering on **November 16th**. SFA Vouchers will begin being sent out on **November 6th**. Please keep an eye on your **student email account**, since that is the email address associated with your SFA Voucher information. **You will not receive a voucher until you are registered for your Spring Courses and do not have a hold on your Student Account.** SFA Vouchers will **expire at 11:59 pm January 20st, 2026.** Any book orders placed after the Voucher expiration must be paid out-of-pocket.

*If you are unable to locate your SFA Voucher email, proceed to the Virtual Bookstore (bncvirtual.com/uttcbookstore) and request the email be sent to you again. (See below on left)

The Virtual Bookstore Step-by-Step Guide for ordering your course materials is attached to assist you.

School Supply Charging

Students are able to charge school supplies in-store at the Bookstore (Bldg. 10) from **December 22nd – January 19th**. Students are **ONLY** able to charge to their Student Account if they are receiving **Financial Aid/Funding**. Self-pay students cannot charge supplies to their Student Account. If eligible students do charge to their account and the charges are over the amount of funding they receive or have remaining, they are responsible to pay the overage out-of-pocket. **ALL STUDENTS MUST PRESENT A UTTC ID TO CHARGE.**

***Due to global technological shortages, the Bookstore will NOT be carrying ANY LAPTOPS for students to purchase or charge to their Student Accounts until further notice. Students in need of a computer or laptop will need to make other arrangements. Please remind students**

there are also computer labs available for student use in the Library, Lower JBC, Skills Center, and Science & Tech.

Thank you,

Angela Heck
